Contract A: Estimate of Construction Cost, Job and Family Services: \$410,000

Contract B: Estimate of Construction Cost, Huron County Jail: \$410,000

PROJECT SCOPES OF WORK

- A. Contract A: General Construction Job and Family Services: The project will consist of installatin a new membrane roof over the existing standing seam metal roof. Flutes shall be filled with a loosely laid insulation material and then covered with a continuous half inch insulation board mechanically fastened to the existing metal roof. A PVC membrane will be over-laid over the insulating materials. The gutters and downspouts will be replaced with new.
- B. Contract B: General Construction Huron County Jail: The project will consist of installatin a new membrane roof over the existing ballasted roof. The ballast material will be removed and stock-piled for the owner's use. A half inch insulation board will be installed over the existing membrane roof and insulation. A PVC membrane will be over-laid over the insulation board. The roof drains will be cleaned and reused.
